MEMORANDUM FOR: The Director
The Deputy Director

OCA FILE leap
OCA

FROM: David D. Gries
Director of Congressional Affairs

SUBJECT: Weekly Report

Intelligence Community Reorganization Legislation: We are told by the Senate Intelligence Committee staff that Senator Specter has agreed to postpone action on this legislation. This legislation, as you recall, would separate the function of developing and analyzing intelligence from the function of developing and carrying out policy. The Director of Central Intelligence would become the Director of National Intelligence and would supervise the Director of Central Intelligence Agency. 25X1
